If a Provisional Member does not earn the required 15 Points during their first year of membership, they may re-apply for a second year of provisional membership and a new mooring priority number will be assigned.

#### **B. Partnerships**

An Equity Partner is two or more people who own a boat together. At least one of the Equity Partners is required to have a Full Membership; the other partner(s) can be either a Full or Skipper Member. Equity boat partnerships are required to notify the club manager every year the names of all Equity Partners in the boat, identifying at least one or more Full Member partners.

Groups or partnerships that share expenses but not boat ownership, require the boat owner to be a Full Member. All others may be either Full, Skipper, or Crew members.

If the boat qualifies, each Full Member in a partnership will be eligible to receive a duplicate set of keeper trophies, but not traveling trophies.

#### **C. Mooring Priority**

See Article VII, Section I in the By-Laws.

Mooring may be denied to unusually large boats. Slips and buoys will be assigned to make the best use of available space. Members considering the purchase of boats should check with the Dock Committee for availability first.

#### **D. Guest Policy**

Guests are welcome:

1. To come to the WYC.
2. On race days park in the upper-east parking lot “Guest Section” or park on the street, but please do not in front of residential homes.
3. To sit at the “Crew Table Looking For a Ride” prior to races.
4. To be picked up by a skipper and race.
5. To enjoy free refreshments after the race.

Guests who race in more than 5 races per season are required to join the WYC as a member.

## 3. Dues and Fees

### A. Dues

Current WYC dues, fees or assessments must be received by the Club Manager prior to any race which is to be scored or counted for mooring priority purposes, the 15 race requirement or for series scoring purposes. After 60 days past due of due date, posting of past due members may occur at the discretion of the WYC Board. See Racing Policy.

### B. Membership Certificate Entry Fee

The membership certificate entry fee is set at the discretion of the Board of Directors. Currently, this fee is \$400.

### C. Annual Dues

Annual dues are established by the Board of Directors at the December Board meeting for the following year. Full members receive a \$25 discount with a US Sailing membership.

Annual dues for each class of membership, in 2011, were set at:

Full Member	\$440
Skipper Member	\$310
Crew Member	\$100

## 4. Six (6) and Fifteen (15) Race Requirement

Wayzata Yacht Club has a two-tier mooring fee system based on the participation of a member in the racing program. This allows the club to charge a higher "commercial market rate" for mooring on Lake Minnetonka for members who do not race at all, powerboats, or sailboats who are not active racers. Active racers receive a lower "Racer Mooring Rate".

### A. The Six Race Requirement

The WYC by-laws state a Full Member who finishes 6 races in a previous season maintains a mooring priority in the highest category the following season. This is based on membership seniority and requires timely payment of all dues and fees. If a racer finishes six races in a season and is moored in the marina that season, they are guaranteed a dock or buoy in WYC marina the following year.

### B. The 15 Race Requirement

Members who meet the 15 race requirement will receive the Racer Mooring Rate for the following year. New members to the WYC who declare their intent to be active racers (at least 15 races) are automatically granted the racer mooring rate. Members must participate in a least 12 of the keelboat races scheduled in the WYC Schedule of Races. Members may substitute for up to 3 of the 15 race requirement by participating in associated club support activities. Participation points may be earned as follows:

1. Providing a boat for the "WYC on the Water Training" to be a Host Skipper. Three Saturdays equals the maximum 3 activity credits.
2. Being a Certified Guest Instructor for "WYC on the Water Training. Three Saturdays equals the maximum 3 activity credits.
3. Participating in "Spring Cleanup Day".
4. Participating in other WYC events approved in advanced by the WYC Board of Directors as recorded in the minutes.

Organizers of the above events will keep a list of those qualifying for participation credit and enter the data into the WYC computer for the member's credit. It is recommended that members check the WYC scoring computer at the clubhouse or on the web to see that they were properly credited.

### C. What Races Count toward the 15 Race Requirement

All WYC sponsored keelboat races on Lake Minnetonka shown on the schedule for this season may be counted toward the 15 race requirement. This includes all regular keelboat races for all classes plus, but not limited to, the following:

1. WYC Regattas such as the Cool Cup, U-Gotta Regatta, J-22 Districts,
2. J-22 Fleet #1 Championship with both WYC and MYC Races committees,
3. Other WYC sponsored races shown from time to time on the WYC Schedule for keelboats on Lake Minnetonka.

### D. To Receive Credit Against the 15 Race requirement For Cancelled, Abandoned, or DNF Races

The WYC computer scoring system has a provision for giving competitors credit towards the 15 Race Requirement for attending a race that is cancelled, abandoned or where a racer receives a DNF (did not finish).

When races are cancelled or abandoned, the Race Committee will make an effort (not in lightening conditions) to stand by the race course and the committee boat dock to take sail numbers of competitors. Racers who pass by so the numbers can be immediately entered into the WYC scoring computer as "ATT" will receive credit for participation in that race even though there was no race or they were unable to complete it.

## E. Appealing to the WYC Board of Directors

A member who does not complete the 15 race requirement due to mitigating or extraordinary circumstances may appeal to the WYC Board of Directors at season's end in writing.

Mitigating circumstances may be defined as a change in employment or special family circumstances which temporarily hinder the member's ability to participate in racing. The Board of Directors may rule that the member must pay the market rate for the forthcoming season, but upon meeting the 15 race requirement, receive a refund for the difference in rate. This exception will not be granted for 2 consecutive seasons.

Extraordinary circumstances may include a prolonged illness or death, a severe accident, natural disaster, or severe boat damage that precludes participation in races for an extended period of time. The Board of Directors may grant an outright exception to the 15 race requirement and permit the member to pay the "Racer's Rate" for the forthcoming season.

Appeals which do not fall within the above guidelines/definitions will be denied.

### 5. Scoring: Special Requests by Fleets

A Fleet may make special requests regarding its activities within the WYC Racing Program. Special requests shall be made in writing by the Fleet Captain to the Race Committee Chairperson. The Race Committee Chairperson shall respond to these requests in writing. Reasonable requests will be honored and appropriate timelines will be applied.

**ARTICLE IV – Membership****Section 1. Classes of Membership**

Full Membership extends the privileges of membership, as provided in the Bylaws, to the Full Member, his or her spouse, and his or her children under age of 25. A Full Member shall be entitled to one vote. A vote may not be cast by proxy at any meeting except that in the absence of the Full Member, the Full Member's spouse, if present at the meeting may vote in the place of the absent member. A Full Member shall be eligible to vote provided he or she is not in arrears on dues or assessments. The application for Full Membership shall identify the member of the household to be enrolled as Full Member.

B.1 Provisional Status. Provisional Membership shall represent the status of an applicant for Full Membership for up to the first two years of membership. A Provisional Member along with his or her spouse, and children under age 25, shall enjoy all the privileges of Full Membership except the right to vote at any annual or special meeting or the right to hold office. At least annually, the Board will review Provisional Members status for appropriate motion to Full Member status. The Board shall publish criteria for promotion to Full Membership.

- C. **Skipper Membership.** A Skipper Membership is required by any individual qualifying "member on board" for an unlimited number of races. Owners of recognized class boats are excluded from this membership, except that persons holding an ownership interest in a yacht otherwise owned and registered with the Club by a Full Member must hold either a Skipper Membership or a Full Membership in the Club. - D. **Crew Membership.** A Crew Membership is required by any individual who becomes regular crew on a yacht or who has participated in more than five races in a season. A Crew Member receives Club mailings and may participate in Club activities but is not entitled to vote, hold office or receive mooring priority. Crew Memberships are subject to renewal annually.

An Association Membership receives Club mailings (one set) and may participate in Club activities, but will not be entitled to a membership certificate nor will it confer on its holder the right to vote or hold office. An Association Membership is entitled to Mooring Priority, except no more than four (4) Association Memberships may be moored in the WYC marina at any given time. Association Membership is subject to renewal annually. Termination of Association Membership and corresponding mooring priority is subject to Article IV, section 3, below, or the following paragraph entitled "Special Review and Termination." The association agrees to be responsible for the acts of its members and the Association Membership may be terminated due to the acts of its members. Each member of the association is subject to WYC membership requirements (see Skipper, and Crew definitions above.)
- Special Review and Termination: In addition to any provision herein, the WYC Board, upon notice, may place the association on probation for one year requiring the association prove to the WYC Board of Directors that the association is (1) meeting its designated mission, and (2) such mission is consistent with WYC's contemporary purpose and vision. At the end of the year of probation, the Association Membership and mooring priority may be terminated based upon a majority vote of the WYC Board of Directors. Termination will not relieve an Association Member from any liability for any indebtedness to the Club.
- F. **Honorary Membership.** Honorary Membership shall be conferred by unanimous vote of the Board of Directors to any individual deserving such special consideration. Honorary Members shall have all privileges of membership except the rights to vote, hold office, or maintain a mooring priority.

Provisional Members shall become Full Members upon majority vote of the Board as set forth herein. A Provisional Member who fails to receive Board approval for Full Membership shall have the entry fee refunded in full, less any arrearages due to the Club. Such Provisional Member may reapply for Full Membership under these Bylaws at any time.
- D. A sailing organization desiring Association Membership in the Club must submit a written application and payment for all fees to WYC's administration as designated by the Board. This application will include, but is not limited to, (i) the member of the association to be enrolled as representative member, and (ii) the mission and organization of the association. If any applicant is recommended by the Membership Committee to become an Association Member and receives approval by the WYC Board of Directors upon majority vote of the Board of Directors, the association will be deemed to be an Association Member for one year subject to annual renewal.
- E. No applicant will be denied membership because of sex, race, creed or national origin.

## Section 3. Termination of Membership

- A. Memberships are not assignable except that the surviving spouse of a deceased Full Member shall be automatically recognized as a Full Member unless application is made to terminate such membership. Memberships may also be terminated by voluntary resignation or expulsion.
- B. Any member who shall willfully violate any of the rules of the Club or who shall be guilty of such misconduct as to be unworthy of the Privileges of membership may be expelled by the Board of Directors. What constitutes misconduct shall be determined by the Board of Directors without appeal. Expulsion proceedings shall be initiated upon written complaint or charges preferred by any member and notice thereof with the time and place of hearing shall be given to the accused member, who shall then be permitted to appear before the Board of Directors and testify with reference to the charges. No member shall be expelled or suspended except by the vote of three-fourths of the Board of Directors. Expulsion shall not relieve a member from any liability for any indebtedness to the Club.

- C. Entry fees are non refundable after attainment of Full membership.
- D. Any member who has resigned or forfeited his or her membership goes to inactive status.

**Section 4. Change of Membership Status**

- A. Any member desiring to change his or her class of membership may petition the Membership Committee stating their qualifications and reasons for seeking the change, and the Membership Committee shall act upon this petition exactly as if it pertained to a new membership.
- B. Dues and fees paid under any previous class of membership shall be credited to the fees payable upon acceptance into a new class of membership.
- C. A Full Member may request "inactive" status. A Full Member in arrears on dues and assessments for more than one year shall be placed on inactive status. Inactive status shall relieve the Full Member of obligation for annual dues and subsequent assessments. Inactive Full Members shall not be entitled to vote or hold office or to any of the other privileges of Full Membership. Inactive Full Members shall lose their mooring priority number.
- D. An inactive Full Member shall be reinstated to "active" status upon application provided he or she pay any assessment levied upon Full Members during the period of inactive status. A returning Full member's original entry fee will apply toward the then current entry fee. A new mooring priority number shall be assigned to such member according to the date of application for reinstatement. Returning members qualifying under the grandfather status defined in Article VII, Section 4 of these By-Laws, will be placed into the first mooring priority group as referenced Article VII, Section 1. Returning Full Members wishing to keep their original mooring priority number must pay back past membership dues for inactive years.

**ARTICLE V - Entry Fee and Dues**

**Section 1. Full Member Entry Fee**

Full Members shall pay an entry fee in addition to dues upon application. Such fee shall be set by the Board of Directors and is non refundable.

**Section 2. Annual Dues**

The applicable dues and fees shall be determined each year by the Board of Directors. Failure to pay applicable dues and fees by the due date shall render the delinquent member ineligible for mooring and participation in Club activities for the period of delinquency. The names of all these members may be posted in the Clubhouse on June 1st of each year. The Board may also prescribe a late fee not to exceed 10% of the annual dues and fees which delinquent members shall be required to pay.

**Section 3. Notice of Fees and Dues**

The Board of Directors shall publish a schedule of fees and dues each year on or before a date not less than 60 days prior to deadline for fees and dues payment, and this schedule shall remain in effect for one year from its date of adoption, except in the event of exceptional or unforeseen circumstances requiring discretionary action by the Board.

**Section 4. Mooring Fees**

The Board shall set a fee for mooring, docking or other fees associated with maintaining a yacht at the Club facility or marina.

**Section 5. Honorary Members**

Honorary Members shall not be assessed fees or dues.

**Article VI - Yacht Classes**

**Section 1. Racing Classes**

Sailboat racing classes shall be limited to six recognized classes plus an "establishment" class. A recognized class may have a separate start, may be divided into multiple starts, or may be started with another class at the discretion of the Race Committee subject to approval of the Board of Directors. All members of recognized classes must be Provisional or Full Members. All yachts enrolled in a recognized class must be owned in whole or part by a Provisional Member or Full Member or Association Member.

**Section 2. Racing Class Recognition**

Yacht owners may petition to organize a recognized class providing there are less than six classes. At least five owners must form a petition seeking approval of the Board of Directors to race the as the Establishment class. If the petition is approved and the petitioning class succeeds in having at least five (5) yachts finish in three (3) of the A, B, C, G, T, or M Series, it shall be eligible for class recognition in the case of an opening for a new class. In the case of multiple class application, eligibility priority shall be established by Board action. A yacht shall be deemed to finish a Series if it meets the minimum requirements established by the Race Committee.

**Section 3. Disestablishment of Racing Classes**

A recognized racing class that does not maintain a minimum participation may upon action of the Board of Directors be disestablished for the following racing season. Once the class is disestablished, the class must go through the reestablishment procedures outlined in Section 2. Minimum participation shall be satisfied if at least four yachts complete three of the A B, C, G, T, or M Series. Completion means the yacht must finish four of six races if six races are counted or four of five races, three of four races, or if less, all the

races counted. One-design racing classes with no alternative recognized class in which they qualify shall have two seasons to meet minimum participation requirements.

## Section 4. Change in Ownership to Establish New Class

Each member, when buying or selling a yacht, shall give notice to the Secretary. A Full Member who disposes of their yacht or replaces it with a yacht of a non-recognized class shall have the opportunity until the completion of the next full summer racing season to join with four other boats of the same class and petition for recognition. During this period, they shall not relinquish any mooring priority granted under ARTICLE VII, Section 1. If this new yacht does not become a recognized racing class within this period the member shall lose their mooring priority among racing class yachts for the next season and until such time as he or she becomes a member of a recognized racing class.

## Section 5. Small Boat Racing Classes

In addition to the six recognized racing classes, the Board will designate the racing classes, racing schedule, and applicable fees and dues for members participating in the small boat racing members on an annual basis.

## ARTICLE VII – Mooring

### Section 1. Mooring Priorities

A priority list has been established initially by drawing, and, thereafter, according to date of Full Membership application, including payment of fees, subject to final acceptance. The Secretary will maintain this list in current status at all times. Mooring priorities at Club facilities within the priority list will be assigned with preference given the following order:

**1st:** Commencing in 1976, Provisional and Full Members owning yachts part of a recognized racing class on the date set for filing mooring applications who raced his or her yacht in at least six races during the preceding season and Association Members who raced 15 races during the preceding season and members exempt from the six race requirement under Section 4 hereof.

**2nd:** Provisional and Full Members owning yachts part of a recognized racing class on the date set for filing mooring applications who did not complete 6 races during the preceding season and Association Members who did not complete 15 races during the preceding season.

**3rd:** Provisional and Full Members and Association Members owning yachts that are not part of a recognized racing class.

**4th:** New Provisional and Association Members according to date of application. Priorities within all categories shall be determined by priority number. Assignments of yachts to individual slips and buoys shall not necessarily be according to priority but shall be assigned at the dis-

cretion of the Dock Committee Chairperson based on the most efficient use of the marina. Only races finished in the Full Member classes with the required “membership-on-board”, as defined in the then-current WYC Sailing Instructions, will be counted.

### Section 2. Mooring

This Article shall apply to all yachts either moored at buoys or docked at the Club marina facilities. A Full or Association Member must notify the Secretary by the date set annually by the Board of Directors if they intend to moor a yacht at Club facilities.

### Section 3. Assignment of Moorings

Assignment of moorings will be done as soon as practical after receipt of membership renewals by a method approved by the Board of Directors.

### Section 4. Five Year Participation Status

Any Full Member, owning a yacht qualified within a Club racing fleet, who has met the six-race participation requirement during any five preceding racing seasons, may maintain his or her mooring priority without meeting the six-race requirement, in any year such member chooses not to moor at the Club facility. Notwithstanding such provision, any Full Member who elects to moor at the Club facility must meet the six-race requirement during such season of mooring in order to maintain his or her priority for the forthcoming season. Any active member who has maintained continuous active Full Membership since 1967 or prior years shall be exempt from the six-race requirement in order to maintain mooring priority. An Association Member may not avail themselves to this provision.

### Section 5. Multiple Owner Yacht

In a case where a yacht is owned by several persons, all owners must hold either Full, Provisional, or Skipper Membership in the Club to render the yacht eligible for mooring. Where the yacht is eligible for mooring, priority assignment will be based on the lowest priority number held by any member/owner with a 10% or greater equity interest. It shall be grounds to remove a member to the bottom of the mooring priority list if such member misrepresents the holding of an equity ownership in a yacht in order to secure mooring priority to that yacht. The six race requirement is met in the case of a multiple ownership yacht by finishing six scheduled races for each Full (or Provisional) Member/owner of the yacht. Only races finished in the recognized racing classes with the required “membership-on-board”, as defined in the then-current WYC Sailing Instructions, will be counted. An Association Membership is not subject to this section; an Association Member is required to finish fifteen WYC races. Only races finished in the recognized

racing classes with the required “membership-on-board”, as defined in the then-current WYC Sailing Instructions, will be counted.

## Section 6. Transferability

Mooring priority may not be sold or assigned for any reason except as provided herein.

- When a Full or Provisional Member dies, the surviving spouse may assume that priority eligibility during the tenure of his or her membership. Children of a deceased member who are or become Provisional or Full Members within six months of the member's death or the death of the member's surviving spouse, may retain the mooring priority of their deceased parent. Where both the children and surviving spouse lay claim to the deceased member's mooring priority, the spouse shall prevail during the tenure of the spouse's membership.
- In the event of dissolution, the spouse not identified to be enrolled as the Full Member has until one year from the date of dissolution to apply for their own Full Membership and pay the applicable fees in order to receive the same mooring priority as their spouse. In such event, while the spouse is entitled to retaining mooring status including the 5-year grandfather status, the spouse is required to pay an additional entry fee and all applicable fees and dues. After one year from dissolution, any spouse applying for a Full Membership will be treated as an application for Provisional Membership.
- Association Membership may not be assigned to any party in any manner without the prior written consent of the WYC Board of Directors requiring majority vote of the Board of Directors.

## ARTICLE VIII – Meetings

### Section 1. Semiannual Meetings

There shall be semiannual meetings of the membership held in Hennepin County, Minnesota, in April and November at a time and place designated by the Commodore, of which fourteen (14) days notice shall be given by the Secretary to the membership. Officers and Directors shall be elected at the November meeting.

### Section 2. Special Meetings

In addition to the semiannual meetings, special meetings may be held at any time at a place designated by a majority of the Directors, provided that fourteen (14) days prior notice thereof, stating the object of the meeting, has been given to the members. Special meetings may not consider any topic not identified in the notice of the meeting.

## Section 3. Informal Meetings

Informal meetings may be called by the Commodore at any time without notice but no business except of a temporary character will be in order at such meeting.

## Section 4. Quorum

Ten percent (10%) of the enrolled Full Members must be present in person at any Club membership meeting to constitute a quorum for the transaction of business. In counting a quorum, the spouse of an absent Full Member shall be counted if present.

## Section 5. Order of Business

The order of business at each meeting shall be as follows:

- First - Reading of Minutes of Last Meeting
- Second - Reports of Officers and Committees
- Third - Election of Officers and Directors (November meeting only)
- Fourth - Business per Agenda
- Fifth – Adjournment

## Section 6. Notice and Agenda

The agenda of a semiannual meeting shall be established by the Board. Notice of the meeting shall include a statement of the agenda. The agenda may not be altered except by vote of 60% of the persons at the meeting, eligible to vote.

## Section 7. Balloting

Votes may be cast at any meeting either by mail or in person. The notice of the meeting shall include a mail ballot. Mail ballots shall be in a form approved by the Board and may be counted only if received by the Club Secretary before the meeting is called to order. Mail ballots shall not be counted to establish a quorum. Members voting by mail shall waive their right to vote on matters raised at the meeting but not set forth in the agenda.

## Section 8. Rule of Order

Roberts' Rule of Order shall be the authority to decide any question or order not herein provided for.

## ARTICLE IX - Amendments and Alterations

These Bylaws may be amended or changed at any semiannual or special meeting of the Club by a two-thirds (2/3) vote of the members voting, providing notice contained the substance of such proposed amendment or change has been given to the notice of the meeting.

## ***Affiliated Programs***

### ***Wayzata Sailing Foundation***

The Wayzata Sailing Foundation works to support the support the Wayzata Community Sailing Center as a fund raising and support umbrella. They work closely with such organizations as the U of M Sailing Team, the Courage Center, Jabbock Family Services, Interfail, The Mike Plant Foundation, the Shinozaki Memorial Fund, and various Wayzata Community Sailing Center programs and regattas. Their emphasis is to support programs that educate sailors and provide access to the sport for those that might not otherwise have the opportunity.

The support of club members like you is critical to the ongoing success of the organizations under the Wayzata Sailing Foundation. Your contributions can be directed to a general fund or to specific programs. For information visit [www.WayzataSailing.org](http://www.WayzataSailing.org).

### ***Apostle Islands Station***

Sailboat racing in the Apostle Islands of Lake Superior is conducted as a separate fleet of the Wayzata Yacht Club. This beautiful and challenging sailing area is located four hours north of Wayzata near Bayfield Wisconsin.

Boats in this fleet are primarily between 30 to 50 feet, and regularly race in separate offshore events throughout the Great Lakes and around the world. The premier event of the Bayfield season is RaceWeek, which takes place during the week of July 4th and hosts smaller boats from WYC and the entire Midwest. Visit them at [www.bayfieldraceweek.org](http://www.bayfieldraceweek.org).

### ***Minnesota Women's Sailing Team***

The MWST has evolved and grown since their 1997 Women's keelboat championship campaign to define a larger mission of promoting women's racing and recreational sailing activities in local, regional and national events. What began as a grassroots effort, now has become a premier regional team serving many interests.

Women, (and men, too) are welcome to join in their support of womens sailing, or as a means of entering and learning more about the sport of sailing. More can be learned about the MWST by visiting their web site at [www.mwst.org](http://www.mwst.org).

## ***Affiliated Programs***

### ***Small Boat Programs***

The Wayzata Yacht Club's small boat sailing programs include weeknight Laser and Dinghy racing programs for both adult and youth sailors. A full range of youth sailing classes are also taught at the Wayzata Community Sailing Center- just across the parking lot from WYC!

Information concerning small boat and youth memberships can be found in section four of our club bylaws. Registration materials are available on our website at [www.wyc.org](http://www.wyc.org).

### ***Wayzata Community Sailing Center***

A wide variety of youth racing and introductory sailing instructional programs are provided at the Wayzata Community Sailing Center, neighboring the Wayzata Yacht Club. Classes vary from youth day camps in Prams and 420s, to youth summer race classes in Optimists, 420s and Lasers, to high school and collegiate spring and fall sailing teams and group/individual private lessons. Programs are available for everyone ages 5 to 95!

For more information, schedules and registration materials, visit [www.WayzataSailing.org](http://www.WayzataSailing.org) or call 952-476-5875.

### ***College and H.S. Racing Teams***

Youth sailing has been dramatically increasing in size at WCSC in recent years. WCSC hosts several college regattas during the year and is host to the University of Minnesota Sailing Team. High School Racers from Wayzata High School, Benilde St. Margaret's High School, Providence Academy, Orono High School and other independent schools also train at WCSC. Several high school regattas- state, regional and intersectional- are hosted annually. WCSC is instrumental in training and coaching these sailors with their expert staff.

Visit [www.WayzataSailing.org](http://www.WayzataSailing.org) for more information.

## JOIN WYC

The Wayzata Yacht Club is a non-profit sailboat racing club that is owned and operated by it's members.

### Full Membership

(formerly, Family Membership)

Full membership is required for racing your boat at the club. Full membership includes your spouse and children. Full members are owners in the club and have voting rights. Upon joining, a one-time membership certificate must be purchased.

### Skipper Membership

(formerly, Annual Membership)

Skipper memberships allow individuals to act as the required "member-on-board" on an unlimited basis. Additionally, all equity holders in boat partnerships are required to, at a minimum, be Skipper Members. Skipper members cannot vote or earn mooring points at the club.

### Crew Membership

Crew membership are an exiguous \$100 and provides crew sailors with club mailings, a club parking permit, access to club grounds and facilities, limited "member on board" privileges, and guilt-free access to refreshments. Crew memberships are required for individuals crewing more than five races per season. Crew memberships are also recommended for youth and small boat sailors.

Guests are ALWAYS welcome at WYC. Stop by, say hi, get a ride!

## The Foster Award

**The Foster Award** was donated in 2002 by Dale "Dirt Ball" Anderson to honor Bert Foster for his 30 years of outstanding Race Management contribution to the WYC. The first year Dirt awarded it to Bert Foster and in future years it is to be awarded to recognize other outstanding race management contributors to the WYC.

# Sportsmanship Award

The Sportsmanship Award was donated to the Wayzata Yacht Club in 1968 by Paul Geyer. Paul was an active sailor in the club at that time, and created the award to recognize another sailor who he felt had "hung in there" and competed under circumstances that would have been overwhelming for most people.

**Selection:** This award has been given for both a single act of sportsmanship or on-going sportsmanship behavior on and off the race course.

## Bail Bond Award

The **Bail Bond Award** was given to the Wayzata Yacht Club in 1966 by an anonymous donor to be presented to our first Commodore, Walt Brantingham. The award is called the Bail Bond Trophy because the City of Wayzata issued a warrant for Walt's arrest for illegally mooring his yacht at the WYC. Fortunately Walt's boat was moored in front of his house. Walt, with the Club's attorney, sued for false arrest and the City dropped the warrant.

**Selection:** The Bail Bond Trophy is to be awarded by the Commodore to the person who has demonstrated the greatest love, spirit, and care, for the Wayzata Yacht Club. This trophy is not necessarily awarded every year and is reserved for recognizing extraordinary efforts. The Bail Bond is WYC's highest service honor.

## Boat of the Year

The **Boat of the Year Trophy** was donated to the Wayzata Yacht Club by George and Betty Hansen in 1975. It is to award both excellence in achieving first place finishes and a participation award for sailing many races. Originally awarded in a sail-off of fleet champions, the award is now a season long points race. The B.O.T.Y. is WYC's highest racing honor.

**Selection:** Starting in the 1993 season, the first place finishes are weighted by the number of participants for that fleet in each race, and is awarded to the boat that accumulates the most points.
